

According to the approved program, on February 28, the forum “Supply of Natural Agricultural Products to Everyone” was opened by the Ambassador of the Republic of Tajikistan to the United Arab Emirates - Sharif Bahodur Mahmudzoda. Further Nazarov Bahodur, Head of the Department of Agrarian Policy and Monitoring of Food Security of the Ministry of Agriculture of the Republic of Tajikistan, briefed those present on the current state of agriculture in the country, the achievements of the industry and expressed the readiness of the Ministry for mutually beneficial cooperation.

At the same time, Islomov Obid, Agribusiness Coordinator of the Rural Economy Development Project,

together with the Ministry of Agriculture, prepared and gave a presentation to the forum participants. The presentation consisted of the following sections: (I) general information about the volume of agricultural production and the number of consumers, (II) investment climate, (III) success story

and (IV) priority areas for investment.

After the presentation and answers to questions, the participants were invited to the Pavilion of the Republic of Tajikistan, where they could get acquainted with domestic products.

Moreover, a meeting with Mr. Taysir Ziyada, Product Manager of the Sharjah Cooperative Society was held, where he was informed on the conditions for investment and development of agribusiness of the Country, and was also invited to visit Tajikistan at any convenient time.

At the same time, a meeting was held with the head of the Department of the category "Fresh products" of the company "Ittihodmol", "Al Barsha Mall" and

"ALVARKA od", Mr. Yakub Muhammad al-Balushi, who were also invited to mutually beneficial cooperation.

Consultation was held with a domestic entrepreneur, Mr. Ashurov Pulod, on the certification of the country's agricultural products and the compliance of domestic products with international standards and the development of agribusiness, which is part of the fourth strategic goal of Tajikistan - "industrialization of the country".
